

Inclement Weather Policy

In the event of inclement weather, we generally follow Wake County Public School System's decisions in regards to closings or delays.

However, there are instances in which WCPSS might not have input (on a weekend) or in which our church staff feels comfortable making a different decision.

Any time we have inclement weather that might impact our gatherings, please check the following places for updates by 8:00 am for morning services and 5:00 pm for evening services:

- Website - www.hbcwendell.com
- Text updates - opt-in by texting HBC to 919-739-3020
- Email updates - opt-in at www.hbcwendell.com/contact
- Facebook page *and* Facebook members group
- Campus - if our staff can make it to campus, we will post signs on the doors with our updates

Possible scenarios you can expect when we experience inclement weather:

- We might still meet on campus as usual if the roads are safe and our staff can travel to campus. In this situation, we ask all members to use their best judgement in traveling to campus.
- We might still meet on campus, but at an alternative time that is safer (ie: meeting later in the morning to allow snow to melt)
- We might only live stream services for you to watch at home
- We might completely cancel all services or activities if that is the safest option for everyone involved

We greatly appreciate your patience and understanding as our staff makes these decisions in regards to bad weather.

Please email office@hbcwendell.com with any questions.
